

JavaLand training day on März 12, 2026

The following conditions apply to the execution of the training day:

1. Location and Framework

- Eventlocation is Europa-Park in Rust.
- There will be up to 8 trainings at the same time.
- Each training partner can turn in more than one training
- All contacted partners get a chance to turn in an offer for training day.

2. Organization

- The JavaLand provides the conference rooms including conference technology. Also included will be the catering for the training day.
- The participants register online by the JavaLand website.

3. Compensation

- The training partner receives remuneration of EUR 200.00 per actual participant, up to a maximum of EUR 4,000.
Travel and ancillary costs are borne by the training partner.
The training course will be held for a minimum of 8 participants.

The fee is due when training has been held.

4. Promotion

- The JavaLand promotes the training day as part of advertising the conference.
- The training partner commits its own expense:
 - to promote the conference and their own training course on its website
 - to send out mailings to a suitable distribution list
 - to publish the date and information of the conference in the social media.

5. Selection of the training partner

- The final selection of the training partner will be made by JavaLand.
- The following criteria are essential for the selection of the training partners:
 1. Impression of the training course offered
 2. Up-to-datedness of the training course
 3. Practical orientation of the training contents
 4. Number of already held trainings on the mentioned topic
 5. Vita of the speaker

For further planning and preparation, we ask you for the following information until **Monday, 1 September, 2025**

- **the application by you or your company,**
- **your agreement to the conditions mentioned above,**
- **the filled in form with your topic(s)**

The training day will be organized by **JavaLand GmbH**.
